- There will be possible delays due to field prep and sanitation. Please be patient with us.
- Dugouts are first come first serve, except when Cayuga is playing. Cayuga will always be in the first base dugout.
- Home team to be determined by flip at plate and will serve as the official book.
- Pool games will last 1 hour and 15 minutes, finish the inning. They can end in a tie. No new inning starts inside the last 5 minutes. Run rules are 15 after 3, 10 after 5.
- Each team will be responsible for furnishing game balls for each game played.
- The winners of each pool will be determined based on wins and losses. However, if we run into a tie, the tie breaker will be determined based on the outcome of the game played between the two teams that are tied, if that does not suffice then we will go by the total number of runs allowed during all pool games, then revert to runs scored, last resort will be a coin flip.
- Bracket games will start at 8AM on Saturday, February 27, 2021.
- Bracket games will last 1 hour and 15 minutes, finish the inning. If there is a tie, ITB will be enforced. There will be a 15 minute break in between bracket games to allow umpires to have a break, field prep time, and teams to warm up.
- All games will be played at Cayuga High School Softball Field.
- The championship game of the bottom bracket will not be played by a time limit, it will be a standard 7 inning game. If tied at the end of the 7th inning, ITB will be enforced.
