Dear Parents,

It has been brought to our attention that a student on our campus has been diagnosed as having COVID-19. This student has not been on campus since the middle of last week. As per our reopening plan, located at www.cayugaisd.com, we are notifying all parents with students on our campus to make them aware of the situation.

Please note, all students are following safety guidelines such as wearing mask and using barriers to separate them throughout the day. We are taking additional steps daily to keep our grade levels separated as well as classes within each grade level.

This student has been placed on remote learning and will return to school once completing the flowchart for safe return. If you have any questions or concerns, please feel free to contact me at any time. I can be reached at kmills@cayugiasd.com or 903-928-2295 ext. #032.

Thank you,

Kristen Mills
Nurse, Cayuga ISD
